## **DUKANE ANNOUNCES NEW FEATURE RICH ULTRA SHORT THROW PROJECTOR**

The Dukane 8104HW is an affordable, feature laden, ultra short throw projector with easy to install wall arm mount. Perfect for an interactive white board solution. The ultra short throw feature basically eliminates any shadowing or eye glare on the board. The 8104HW includes:

1. 2500 Lumens Brightness
2. WXGA Resolution, 1280x800
3. Large 4000 hour hybrid filter with side access
4. Ultra short 4 to 15 inch throw distance
5. HDMI input (digital input)
6. Built-in Anti-theft security
7. Mic input and 10 watt audio out for voice augmentation or sound amplification
8. No shadow/no glare/perfect fit 2 easy adjustment
9. PC less presentation via USB port

The wall arm mount is a separate accessory, but manufactured for the 8104HW. The wall arm mount is easy to install, and unobtrusive. It provides the ultimate image in a short throw situation.

For more than fifty years, Dukane's Audio Visual Products Division has provided schools around the world with technology solutions that helped increase student learning. With a network of trained professional dealers available to provide personal and localized sales support, Dukane is committed to meeting each customer's particular needs.

Since 1922, Dukane has been involved in the development of systems and equipment for the educational, commercial, and industrial markets. Today, the company is divided into two operating divisions which produce diversified product offerings including audio visual presentation equipment and ultrasonic assembly
