DUKANE ANNOUNCES NEW UNIVERSAL HDMI ADAPTER RING

Dukane recently added the new DL-AR universal HDMI adapter ring to its product line. The 5 adapters convert HDMI to the following:

- Display Port
- Mini Display Port
- Mini HDMI
- Micro HDMI
- Single Link DVI-D

Eliminate your customers panic and expense when presentation adapters go missing!

This keychain adapter was developed to support the rising demand of mobile devices used in presentation systems. This product permits the presenter easy access to the appropriate adapter for connection to the HDMI infrastructure. Laptops, tablets, smart phones, digital cameras and net books all have varying connections to display their content. This simple and effective ring of adapters permits the owner of the infrastructure to support mobile device content and keep adapters secure and in place for the presenter.
