## Dukane Announces Revolutionary Large Format Display

The stunning Dukane ITP84, 84 inch interactive display with full 1920x1080 HD resolution is a high impact tool for corporate, government, and educational institutions looking for collaboration, training, wayfinding or a variety of other interactive applications. Multi-touch capability and gesture recognition make using the Dukane ITP84 simple and intuitive. Included software allows for annotation, saving and sharing information. The optional PC makes the ITP84 a versatile solution for stand-alone applications. A truly impressive display the Dukane ITP84 will change the way you view interactivity.
