

Touch-based interactivity for greater communication versatility.

If the drawing area is not contained within a frame, there is no limitation for the FT-01.

When using the FT-01, install IR FILTER.

Specifications	FT-01
Power supply/Rated current	DC 5V/200mA
Power consumption	1W
Temperature range	0 ~ 40°C (Operating)
Size	7.01" (W) x 2.28" (H) x 1.73" (D) Not including protruding parts
Weight	3.88 oz.

HI0329-09/14
